

Aurigny was keen to support our Loud Tie Day and organised a special tie for G-JOEY to wear.

Letters promoting the Day were sent to over 700 businesses, organisations and schools encouraging people to fly the flag for Bowel Cancer Awareness. Funds raised will go towards a sigmoidoscope to be used when the Bowel Screening Programme is introduced later this year.

Pictured are Aurigny's Captain Steve Clarke, Dr Peter Gomes - Trustee of the Guernsey Bowel Cancer Awareness Charity and Malcolm Hart, Aurigny's Managing Director with G-JOEY
